Celebrity Reining rocks the Arena

>> This evening at 7 pm, as a kind of „closing ceremony“ of our show, we will again stage an event which has been one of the highlights last year – Celebrity Reining rocks the SVAG CS Classic!

A selected group of Formula 1 presenters will compete against 7 time world champion **Michael Schumacher** in a discipline none of them is experienced in. All of them will broadcast the fun competition and thus promote the sport of Reining to an extent which usually would be very hard to achieve. 1400 Reining friends in the Arena were cheering them up, when they bravely were showing their skills on the horses – examples from last year’s broadcast can be seen on our website www.cs-ranch.eu.

As a late entry, not featured in our programme yet, we will have **Andreas Troll** from the german ARD TV. As all of the competitors, he has learned a lot about Reining in the past days, and is curious to understand if his horse Jokers Que will do what he would like him to do...

Other than Andreas, there will be **Melanie Winiger**, the famous Swiss actress and model – actually, this year she will be the only woman competing in the Celebrities Reining, so we all will have to cheer her up.

Rolf Fuhrmann from german Sky TV, is a famous soccer presenter and is trying himself on a horse for the first time. From France, there is F1 presenter **Laurent Dupin** from TF1, and **Ronny Mengo** will have the eyes of our italian Reining friends on him, representing Italy and Mediaset.

All of them will be showing together with Michael who made a stunnig debut last year. But most important of all, we can expect a lot of fun at the closing show of this year’s SVAG CS Classic.

Late entry – big surprise: Lukas Podolski

Since Michael is a great soccer lover and from the Cologne area, he has already met Lukas Podolski several times – therefore he was more than happy when Lukas announced that he wanted to come to the SVAG CS Classic and maybe even compete in

the Celebrity Reining. Both Michael and the player of the German national soccer team are quite new in the world of horses but are sure to enjoy the fun competition. „We are very happy to see Lukas around“, Corinna and Michael are saying.

„Rolly Wayne“ Rolf Fuhrmann

SKY (D)

„The only time I got on a horse was seven years ago for two hours in Camargue and I was sore! I am happy and ready to go here, I’m sure it will be fun and good promotion for this sport... you can call me Rolly Wayne!“

>> Rolf Fuhrmann tries on TJ Classic Guigon Jin, also Grischa Ludwig helps him on Janina Thomi’s horse.

Andreas Troll

ARD (D)

„I was happy to come here as I enjoy the horses, in particular western horses and I was curious to see how reining works. I practiced for the first time on Tuesday and had a great time. I look forward to the competition!“

Ronny Mengo

Mediaset (I)

„This has been a very pleasant surprise for me. I discovered a great equestrian sport I completely ignored. It is an honour for me to be here in “Schumi’s” beautiful facility, riding with him.“

Don't miss it!

A Teddy for Laurent...

>> ...or how to create reining enthusiasm in a heartbeat: it took just five rides on CD's TEDDY SPAT BERRY to make Laurent confident in a reining saddle.

„It is a real challenge and big fun to help a green reiner” says Laurent Deniel, owner of a really nice five year old Quarter Horse Stallion named **CD's Teddy Spat Berry**, which will be shown by Laurent Dupin at today's reining celebrity. Teddy is by Spat O Lena and out of RS Bonnie Jac, bred and raised by Laurent Deniel. At his ranch „**CD's Quarter Horses**” near Paris, where Sigfried Barbara is the hired hand to train some of the finest reining horses in France – he helped Laurent Dupin in the reining saddle.

Laurent states, „If I will win tonight I'll stay in the reining sports – on such a kind horse it was easy to get the right feeling for all the manouvers”.

Running Marathon in his freetime he is presenter for France's TF 1, Channel no. 1. „At my first lesson I was really nervous and a little bit afraid – but Sigfried helped me to have the self confidence. Now, every time when I am on a horse, I have a big smile on my face!”

SVAG's encounter with Michael

>> The swiss SVAG has been the fondest supporter for the shows at the CS Ranch, being title sponsor for every CS Classic existing so far.

This is the case not surprisingly, as Michael Schumacher and DVAG have created an extraordinary partnership, going way beyond a classical cooperation, since nearly 15 years.

Yesterday, SVAG was visiting „their“ event, and Michael was visiting them. Roughly 40 people were enjoying their time at the CS Ranch, watching the show and listening to Michael when he had his appearance at the Lounge and bringing them a big THANK YOU from the team of the CS Ranch.

A new Sponsor: BUBEN&ZÖRWEIG

**>> CS Ranch proudly presents
BUBEN&ZÖRWEIG,
a producer fine timepieces
with unique masterpieces
of craftsmanship.**

The symbiosis between compelling innovation and exquisite design characterises and defines the exclusive objects of time. Selected materials and perfect workmanship fulfil and exceed our customers' highest expectations.

*The house of BUBEN&ZÖRWEIG
the first stop for passionate lovers
of fine timepieces*

From the first day of business (1995) BUBEN&ZÖRWEIG has been devoted to exploring the limits of technology and craftsmanship with exciting new masterpieces.

After the founding of the company in 1995, BUBEN&ZÖRWEIG reached their first milestone with the launch of the Time Mover® in cooperation with their partner company Elma. Within a short time this pioneering technology became the market leader in its field.

The advent in 2005 of BUBEN&ZÖRWEIG's fine timepieces was the first major step on the road to becoming a manufacturer of mechanical clocks. The goal from the beginning was to use innovation and master craftsmanship to create exclusive pieces that were and are without comparison.

BUBEN&ZÖRWEIG surprised the experts with the double tourbillon in 2007 and again with the Orbit tourbillon in 2009. Their Atelier d'Horlogerie offers the best conditions for creating these fine timepieces – from the design to the elaborate manufacture.

In 2008 BUBEN&ZÖRWEIG focused intensely on security, and presented the first safes which not only fulfil every safety-related wish, but also represent an attractive addition to every elegant interior.

The Titan for example is a radically innovative interpretation of the „Safe“ topic and was presented in Basel this year. Tried and tested technology from the partner-company Kaba, which is also equipping swiss banks with security-systems guarantees top security in full compliance with VDS IV Standard.

Since 2006 BUBEN&ZÖRWEIG has offered a combination of the previous areas of operation. The so called „OBJECTS OF TIME®“, opened up a new dimension for lovers of valuable watches and/or unique pieces created to complement sophisticated interiors. The Python for example was inspired by the elegant verve of control panels in luxury limousines and yachts. The interior contains several watch winders, a bar, humidor with electronic humidification system and optionally a high-end German music system with Bluetooth and MP3 docking station.

From precious single pieces to modular, individually equipped walls or rooms, BUBEN&ZÖRWEIG is a competent, innovative partner for the creation of exclusive ambience.

All of these components led finally to the collaboration with Aston Martin, which was introduced at Basel World 2011 the first time.

Aston Martin appointed the house of BUBEN&ZÖRWEIG to create a strictly limited OBJECT OF TIME® celebrating the launch of Aston Martin's definitive sports car – the One-77. The result of this collaboration will be an OBJECT OF TIME® that bears the title BUBEN&ZÖRWEIG for Aston Martin.

The limited edition dedicated to the One-77, will challenge the perception of the role and function of the timepiece in the same way as the luxury sports car.

Action moves at the CS Ranch as Limited Open & Youth Champions conquer the European titles!

>> It was all about action this morning in Givrins when riders rode for the NRHA \$500 added European Affiliate Limited Open Championship and NRHA approved SVAG CS Classic \$500 added Limited Open ancillary class.

Petra Van Ede of The Netherlands took home her second Limited Open European Championship riding Betcha Boots Whiz (*Topsail Whiz x Special Dose*) for owner Jeanette Versendaal – V Welsum's. Petra had in fact earned the title in 2008 aboard Little Smart Jameen. Yesterday the Dutch rider and her mount had earned the reserve championship in the Intermediate Open EAC. „*This horse is sweet, honest and my best friend!*“, said Petra about the nine-year-old sorrel stallion she has had in training for a little over a year. „*When I got here I hoped to win.. I did and he gets all the credit for it!*“. Van Ede tied for reserve honors in the NRHA Limited Open.“

The EAC Reserve Limited Open Championship went to Miriam Gensicke, also from The Netherlands. Riding Lil USS Peppy (*Lil Ruf Peppy x USS Enterprise*) for owner Paul Van Hooft, Miriam scored a 213.5.

Following a three-way tie for first place in the Limited Open, riders decided to run off for first place. Italian Max Canu posted a 221, the highest score recorded from the beginning of the

show, and won the class riding Fabio Sentinelli's eight-year-old stallion Bank That Shine (*Twice As Shiney x Reminics Topsister*). Benjamin Willersinn (AUT) and BMS Smokin Frisco (*Friscote x Manuelita Gun Smoke*) owned by Gabriele Ellensohn tied for second place with Van Ede and Betcha Boots Whiz.

The NRHA EAC Youth 13 & Under and the Youth 14-18 were run class in class. It was a two-peat for young Gina Maria. Last year she won the Youth 13 & under aboard Poco Ruf Peppy, this year she did it again riding ARC Pleasepassthegin (*Chic Please x Gallo N Gin*), a ten-year-old gelding owned by Corinna Schumacher, after posting a 214. „*I really wanted to win and I gave it all I had!*“, said the young rider from Switzerland who also won the NRHA ancillary class and topped it all off by claiming the reserve championship in both the EAC and ancillary with a score of 213 riding RS Esplendidos Olena (*Spat Olena x RS Cheery Miss Jac*), also owned by Corinna Schumacher.

Alissa Leloux and her ten-year-old gelding Little Smart Jameen (*Smart Little Egger x Miss Rojo San*) were crowned NRHA EA Youth 14-18 Champions, and also won the ancillary class,

after scoring a 217.5 following an impressive run. „*When we went in the pen I only had one thought on my mind: I wanted to win!*“, said the 16-year-old rider from The Netherlands who trains with Cira Baeck.

Niels Dutij of The Netherlands and his Bo Knows Hollywood (*Hollywood Eightysix x Bo Betty Price*) landed on the second step of the podium earning the EAC Youth 14-18 Reserve Championship and the ancillary class second place with a score of 213.5.

The CS Ranch would like to thank the main sponsor of the event SVAG (Schweizer Vermögensberatung) and corporate partners Banque Baring Brothers Sturdza, Audemars Piguet, Navyboot and Nimbus for their support. A special thankyou to the NRHA corporate partners: Bob's Custom Saddles, John Deere, Kiser Arena Specialists, Montana Silversmiths; Rios of Mercedes / Anderson Bean Boot Company, SmartPak.

Risso and Spat A Blue crowned NRHA European Affiliate Non Pro Champions; Bonzano and Crominic win the \$30,000 added SVAG CS Classic

>> He was crowned NRHA European Affiliate Non Pro Champion in 2002, in the very first edition of the EAC, aboard RS Jac Flash Leo.

He did it again in this edition of the Championships, this time riding his nine-year-old stallion Spat A Blue (*Spat Olena x ARC Joy Surprise x Surprise Enterprise*). He's the past NRHA World Reserve Non Pro Champion, Claudio Risso, who scored a 221.5 to win the title. *„I started riding this horse this year and he's been good for me all along the way,”* says the Italian breeder. *„We're running for the NRHA world title this year and winning here makes the hauling worth while!”*. The team made up of Tina Kunster-Mantl and Heza Sure Whiz (*Topsail Whiz x Im Not Blonde x Catalyst Too*), owned by Jacpoint QH, had already left their mark in 2007 by winning the NRHA EA Non Pro Championship. This year, with a score of 219, they earned the reserve championship.

„We could've done better, but I'm happy with the way things went anyhow, he's just such a good horse,” claimed the Austrian rider.

Winning the NRHA approved \$20,000 added SVAG CS Classic with his six-year-old quarter horse gelding Chrominic (*Custom Crome x Nic N Taffy x Reminic*) between the reins was Italian non pro rider, Manuel Bonzano. The pair scored an impressive 222.5 to win the class. *„This is very special for me because this horse was born at my place. I showed him in the NRHA Non Pro Futurity where we made the finals and then shipped him back to Italy. I started riding him this year under the guidance of my trainers, Ann and Bernard Fonck, and I must give credit to them for all the incredible help they give me,”* said Manuel. Risso and his Spat Olena placed second. Bonzano also tied for third place with Custom Slidetracks (*Custom Crome x Dry Doc Bobbie x Dry Doc Bob*) with Andrea Castrucci riding Ima Mega Antares (*ARC Antares Surprise x Ima Martha Memory x Ima Topsail Cody*). Both scored a 220,5.

This evening at the CS Ranch the action will carry on. Being the tenth edition of the NRHA European Affiliate Championships, the 'Original 10' champions of each division will be recognized during the **'EAC 10 Years Cocktail'**. At 8 pm, the Youth Team award presentation will be followed by the Youth party.

Tomorrow the EAC & CS Classic Limited Non Pro and the \$30,000 added SVAG CS Classic Open classes will take place. Closing this years' edition at 7 pm will be the much awaited for **'Celebrity Reining'**.

The CS Ranch would like to thank the main sponsor of the event SVAG (Schweizer Vermögensberatung) and corporate partners Banque Baring Brothers Sturdza, Audemars Piguet, Navyboot and Nimbus for their support.

A special thankyou to the NRHA corporate partners: Bob's Custom Saddles, John Deere, Kiser Arena Specialists, Montana Silversmiths; Rios of Mercedes / Anderson Bean Boot Company, SmartPak.
