In Level 3 scored classes with 100 and more entries, the top 15 scoring horses (plus ties) in the prelims will advance to the finals. Immediately following the preliminary round, there will be a "shootout" competition for the next 20 highest scoring horses (including ties). These 20 will perform again, and the top five scoring horses (ties will be broken) from the shootout round will also advance to the finals.

In Level 3 classes where the exhibitor is judged (showmanship, horsemanship and hunt seat equitation), if the class has more than 100 entries, the class will be split in half, and the top 15 exhibitors (plus ties) from each section will be taken to a semi-final. These 30 exhibitors (plus ties) will immediately perform the pattern again. In showmanship, the top 15 (plus ties) from the semi-final will advance to the finals. In horsemanship and hunt seat equitation, the top 20 (plus ties) will advance to do railwork. From the railwork, the top 15 (plus ties) will advance to the finals.

In Level 1 and Level 2 classes where the exhibitor is judged (showmanship, horsemanship and hunt seat equitation), if the class has more than 100 entries, the class will be split in half, and the top 15 exhibitors (plus ties) from each section will be taken to the finals. These 30 exhibitors (plus ties) will immediately perform the pattern again. In showmanship, the top 15 (plus ties) will then receive awards. In horsemanship and hunt seat equitation, the top 15 (plus ties) will advance to do railwork and receive awards.
